Thank You—You might recall that at the end of our meetings with David Asscherick, we gave him an amplifier for his new acoustic guitar so he can help lead worship in his home church. The amplifier arrived this week and David e-mailed me and told me to please send his thanks to the church—he loves it and is looking forward to leading worship at his church in Australia. He also said that it sounds fantastic! —Pastor Jamey

Church Budget— I want to say thank you for your faithfulness in giving this year towards our church budget. We have been right on for most of the year and that helps us provide funding for the various ministries as well as up-keep for our church facility. This church couldn't operate without you and I just wanted to say thank you for your faithful giving so we can do ministry in Franktown. As we close the year, we are a bit short of making our budget for the year, so as you consider your year end giving, please consider helping us reach that goal. Also, along these same lines, I want to say a special thank you to Teri Walter, our church treasurer. She keeps track of about a thousand different things in regards to our church's finances from paying bills, to organizing the finances by category. She volunteers a LOT of her time to do all this and Teri, we want you to know we sure appreciate it! Thank you all for your support of the Franktown Church and its ministries.

*A warm welcome to each of you who have chosen to join us today!
We pray that you will come to a deeper understanding of our God.*
